FORMAT

All entrants bowl 5 games of qualifying at 11:00am on Saturday, January 26th. The number of semifinalists for each division will be approximately twice the number of bowlers who will go to match play. Semifinals will begin after a 45-60-minute break. Semifinalists bowl 5 games. Scores from qualifying carry over to the semifinals. Total pins for the 10 games will be used to determine who goes to the match-play finals. Each bowler will be allowed to take up to two re-racks per game.

MATCH PLAY

Match play is on Sunday, January 27th, 2019 beginning at 9:00am. Note: The start of Senior Division match play may be delayed if the total number of match-play bowlers exceeds the number of lanes available. The number of bowlers to qualify for match play is determined by the number of entries. This applies separately to each division.

Finalists will be seeded into the winner's bracket of a double-elimination match play bracket. The higher qualifier of each match will have choice of starting lanes with the bowler starting on the left bowling one frame to start each match. Each match consists of two games. Total pins shall determine the winner of each match. The loser of each match will be placed in the elimination bracket. Once a bowler loses two matches, they are eliminated from the competition. Any bowler not available for the start of any match will receive zero for each frame missed and start bowling in the frame currently being bowled by their opponent.

TIEBREAKERS

In the event of a tie for the final qualifying position or during match play, a one-game roll off will immediately take place. If a tie still exists at the end of that game, a 9th and 10th frame roll off will immediately take place. This procedure will continue until all ties are finally broken. Failure of any bowler to be immediately available and in the bowling center for any roll off will result in forfeiture.

DRESS CODE, EATING, DRINKING

A shirt with the participant's last or full name on the back must be worn during all competition. A detachable name plaque (non-paper) being acceptable. Shorts and skirts must be equal to or longer than your fingers when arm is extended down by your side. Tank tops, halter tops, bare midriffs, spaghetti straps, hats, workout attire, bib overalls, and denim of any color are **not permitted**. Bowlers are **not permitted** to drink alcoholic beverages while participating.

All entrants give their express permission to the Oregon State USBC for the use of the entrant's photograph and/or likeness in any form and/or media without compensation of any kind.
