

## OSUSBC HIGH SCHOOL BOWLING COOPERATIVE SPONSORSHIP

### GUIDELINES

Student athletes are generally required to bowl with the school they attend. Home-schooled, e-schooled, Alternative School, and private school students are automatically eligible to bowl for the school within whose attendance boundaries they reside with their parent(s) or Guardian(s).

Alternative school and private school students are encouraged to create and enter a team from the school they attend, if possible.

If the school a student attends or whose attendance boundaries in which the student resides is unable to field a team, a Cooperative Sponsorship may provide the student with an opportunity to compete.

Cooperative Sponsorships are considered at the school level and are a matter of necessity, not convenience. The OSUSBC is dedicated to the growth of our sport and believes every high school athlete should be allowed the opportunity to compete and earn awards at the high school level.

When utilized, the co-op agreement is generally made for the school, not for an individual athlete. If a school is participating in a co-op agreement, all athletes from that school will generally participate with a single sponsoring school. The Cooperative Sponsorship Review Committee may consider special circumstances. Once a co-op agreement is approved, it will remain in place until the end of the current school year. Boys' and girls' teams are separate entities and will be considered separately. Co-ed (Open Division teams are not eligible for cooperative sponsorship except in extreme cases).

Prior to applying for a cooperative sponsorship, an athlete must make a diligent effort to create an independent team at his/her school as defined by OSUSBC High School Tournament guidelines. If the athlete is unable to form a team of at least five bowlers, the closest (by driving distance) participating school, as determined by the Cooperative Sponsorship Review Committee Chair, will be contacted to determine interest in a cooperative sponsorship. If the closest participating school waives/refuses the cooperative sponsorship, the next closest school will be contacted until a school agrees.

When all efforts have been unsuccessful in creating a high school team at the athlete's current school, application for cooperative sponsorship can be made to the OSUSBC Cooperative Sponsorship Review Committee (CSRC). See application and school approval forms. The CSRC will review each application and either approve or deny the application.

If, after an application has been approved, intentional deception by one or both parties is determined, penalties will apply. Protests must be submitted in writing within 48 hours to the CSRC.

## OSUSBC HIGH SCHOOL BOWLING COOPERATIVE SPONSORSHIP

### APPLICATION GUIDELINES

**Prior to applying for a Cooperative Sponsorship, an attempt must be made to establish a team at your school. The following steps must be completed AND documented:**

- 1) Contact your school's Principal, Athletic Director, Activities Director, and/or Coach to determine interest and assistance at your school;
  - a) If your school will not support or approve bowling as either a varsity or club sport, go to the application process, below.
- 2) Post a sign-up sheet at the school
- 3) Post a notice on your school's Facebook page and/or use other social media to recruit team members
- 4) Canvas your school to determine interest in bowling by making phone calls, posting flyers, conducting meetings, making announcements, etc.

All of these **steps MUST BE DOCUMENTED** in order for the committee to consider your application.

#### Application Process

If you are still unable to establish a team at your school AFTER following the above steps, you may apply for a Cooperative Sponsorship with another school as follows:

- A. Determine the high school closest to your school by driving distance. Verify this with Google Maps.
  - a. If this school does not currently offer bowling or have a bowling team, you are encouraged to attempt to establish a team with them.
    - i. If this is unsuccessful, determine the closest school to your school that does have a bowling team.
  - b. If this school does have a bowling team, determine whether they qualify as a sponsoring team (see Sponsoring School Requirements);

EXCEPTION – The OSUSBC CSRC will honor a current OSAA-approved Co-op agreement. Documentation of the agreement is required for this exception.

- B. Contact the Principal, Athletic Director, Activities Director, and/or Head Coach to determine if the school is interested in becoming a cooperating or sponsoring school;
- C. Complete the application, including signatures of the Principals and/or Athletic Directors or Activities Directors from the participating schools. If you are unable to obtain approval from the schools, you may request assistance and a letter from the CSRC.

## OSUSBC HIGH SCHOOL BOWLING COOPERATIVE SPONSORSHIP

- D. Submit the completed application forms, along with the required documentation to the CSRC no later than DECEMBER 15TH. Submit an application even if you don't think you will need to co-op but paperwork is already turned in.

OSUSBC recognizes all situations are not the same. **The goal is to have documentation showing every possible effort has been made to create a high school team at the school requesting a cooperative relationship.**

If, after an application has been approved, it is determined one or both parties participating on a cooperative team have intentionally deceived the review committee, penalties will occur. Team members will not be eligible for awards. The school/schools participating in the deception will lose their ability to apply for cooperative sponsorship or sponsor another school the following year.

### Sponsoring School Requirements

- A. Must not make "cuts";
- B. Bowlers from the sponsoring school may not be replaced by bowlers from the cooperating school;
- C. A school may sponsor no more than 2 other schools;
- D. Schools with 12 or more bowlers from their school are not eligible to sponsor another school unless no other option exists for the school without a team.
