Tournament Rules

1. Entrants must be OSUSBC members and 50 years of age or older as of the date of participation.
2. All events except Scotch Doubles will consist of 3 games bowled on one pair of lanes.
3. Bowlers may enter each event as many times as they wish but can only cash once in singles and once in doubles with the same partner.
4. The prize fund will be returned 100%. At least 1 in every 5 entries will cash. In the case of a tie for first place in any event, co-champions will be declared.
5. Entering averages will be based on the highest certified USBC averages in the following order:
 - a. 2023-24 fall/winter season average for 21 games or more. If none, or not available,
 - b. Highest 2022-23 certified average for 21 games or more. If neither, then
 - c. 2024 summer average for 15 or more games at the time of entering (Must bring a copy of the league sheet to verify).
 - d. Anyone who has no average for any of the above will use an entering average of 220,
 - e. USBC rules 319a.2 (10-pin rule), and 319e do not apply.
6. Handicap is based on 90% of the difference between the bowler's entering average and 220.
7. Any rules not covered on this entry form will be referred to the current USBC Playing Rules Book and all decisions made by the tournament director will be final.
8. The **Merry Mixer Doubles** event will consist of partners being randomly drawn prior to the squad starting.
9. The **Scotch Doubles** will consist of 4 games. One partner will roll the first ball in every frame of games 1 and 3. The other partner will roll the first ball in each frame of games 2 and 4. The bowler not rolling the first ball in each frame will bowl the second ball, if needed, in each frame.
10. The **Swingin' Singles** event will use 3 different formats: Game one being 9-pin no tap; Game two being 3-6-9 (all bowlers receive strikes in frames 3, 6, and 9); Game three being 8-pin no tap.
